Greater Fox Cities Area Habitat for Humanity Safety Guidelines

Safety is everyone's concern. Please be conscious of the safety of others as well as yourself. Report any safety issues to the site leader or a construction staff member. Do not perform a construction task if you are not sure how to do it safely. Do not perform construction tasks you are not comfortable with or are not physically able to perform.

General Guidelines for a Safe Worksite:

- THINK before you do your task.
- If you are uncertain about how to perform a task safely – ASK THE SITE LEADER OR STAFF.
- Concentrate on your task and eliminate distractions.
- First aid kits are located in every trailer. See the site support volunteer if you need first-aid supplies.
- Inspect all power tools, hand tools, ladders and scaffolding before using them.
- Advise the site leader or a staff member if you see any unsafe or hazardous situations, materials or conditions.

Safety Equipment:

- It is required to wear safety glasses or goggles at all times on a Habitat worksite.
- Close-toed shoes are required at all Habitat worksites.
- Hard hats need to be worn when instructed by a staff member or site leader.

Power tools and other electrical equipment:

- **Anyone under the age of 18 is NOT allowed to use power tools**

Hand tools:

- Always select & use the correct type and size tool for the job.
- Handle and carry tools with care.

Ladders & Scaffolding:

- Inspect a ladder or scaffolding before using it. **Check the age restriction policy on the next page for who is allowed to use a ladder and at what the maximum height they can go up on a ladder.**
- Move your ladder with your work.
- When using an extension ladder, use the "4-to-1" rule. For every 4 feet of height, move the bottom of the ladder 1 foot away from the wall.
- Place ladders on solid footing only.
- Carry tools and materials in proper carrying devices and keep your hands free for climbing.
- When climbing, always face the ladder.

Clean Work Site:

- A clean work site is a safe work site.

Volunteer agrees that in the event that any clause or provision of the Release shall be held to be invalid by any court of competent jurisdiction, the invalidity of such clause or provision shall not otherwise affect the remaining provisions of this Release which shall continue to be enforceable.
