INDEPENDENT AUDITORS' REPORT

Board of Directors
Greater Fox Cities Area Habitat for Humanity, Inc.
Menasha, Wisconsin

We have audited the accompanying financial statements of Greater Fox Cities Area Habitat for Humanity, Inc. (the Organization) (a not-for-profit corporation), which comprise the statement of financial position as of June 30, 2016, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Greater Fox Cities Area Habitat for Humanity, Inc. as of June 30, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited Greater Fox Cities Area Habitat for Humanity, Inc.'s financial statements as of and for the year ended June 30, 2015, and our report dated October 28, 2015, expressed an unmodified opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2015, is consistent, in all material respects, with the audited financial statements from which it has been derived.

NOTES TO FINANCIAL STATEMENTS

June 30, 2016

Note 1 - Nature of activities and significant accounting policies

A. Nature of activities

Greater Fox Cities Area Habitat for Humanity, Inc. (Organization) is a charitable organization located in Menasha, Wisconsin that is an affiliate of Habitat for Humanity International, Inc. (HFHI). The Organization is a non-denominational Christian not-for-profit organization whose purpose is to create safe, decent and affordable housing in partnership with those in need. This is achieved through a wide range of affordable housing solutions.

Although HFHI assists with information resources, the Organization is primarily and directly responsible for its own operations. Such operations are conducted within the Fox Cities area and include the Almost Home, Homebuyer, Home Repair, and Neighborhood Revitalization programs including Rock the Block® events and the Habitat ReStore retail outlet.

The Organization serves potential homeowners through its Almost Home and Homebuyer programs. Almost Home addresses the needs of prospective homeowners whose Habitat applications have been denied because of a lack of sufficient income or financial stability and assists existing Habitat homeowners who have experienced financial setbacks, health situation or job loss and are struggling to make their monthly mortgage payments. Through the Homebuyer program, the Organization constructs new or rehabilitates existing homes and sells those homes to low-income families who pay for the homes through no-interest mortgages.

The Organization serves existing homeowners through the Home Repair program and Rock the Block® events. The Home Repair program provides critical home repairs, weatherization and exterior preservation work in partnership with low-income homeowners, who pay for the repairs through no-interest loans. At Rock the Block® events, residents, municipalities and community partners collaborate with the Organization in targeted neighborhoods during a concentrated period of time to complete home repair and preservation projects for low-income homeowners, and community projects to improve and beautify the neighborhood surrounding the homes.

The Organization also operates the Habitat ReStore, a resale store open to the public located in Appleton, Wisconsin. Since opening, the Habitat ReStore has been able to divert millions of pounds of potential waste from local landfills, while passing along those savings to customers. Most of the items sold at the Habitat ReStore are donated and the majority of the work at Habitat ReStore is performed by dedicated volunteers. Profits from the Habitat ReStore are used to fund the mission work of the Organization.

The Organization is supported primarily through contributions, grants, income from its resale store, homeowner mortgage payments and home repair loan payments.

B. Basis of accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables, and other liabilities.

GREATER FOX CITIES AREA HABITAT FOR HUMANITY, INC.

NOTES TO FINANCIAL STATEMENTS, CONTINUED
June 30, 2016

Note 1 - Nature of activities and significant accounting policies, continued

C. Basis of presentation

The Organization is required to report information regarding its financial position and its activities in the following three classes of net assets:

Unrestricted net assets - net assets that are neither temporarily nor permanently restricted by donor-imposed stipulations.

Temporarily restricted net assets - net assets that result from contributions whose use by the Organization is limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of the Organization pursuant to those stipulations.

Permanently restricted net assets - net assets resulting from contributions whose use by the Organization is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled and removed by actions of the Organization.

The Organization had no permanently restricted net assets at June 30, 2016.

D. Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

E. Cash equivalents

The Organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents. For the purposes of the statement of cash flows, cash and cash equivalents excludes restricted cash.

F. Contributions and grants receivable

Unconditional promises to give are recognized as revenue and as assets in the period the promise is received. Conditional promises to give are recognized only when the conditions on which they depend are substantially met.

G. Inventories

Materials

Materials inventory includes construction materials and ReStore inventory. Construction materials consists of home building materials used in construction of the Organization's homes, substantially all of which are donated, and are recorded at fair value at the time of donation. At the end of its fiscal year, the Organization estimates the value of construction materials determined by the first-in, first-out method. ReStore inventory includes items purchased by and donated to ReStore. At the end of its fiscal year, the Organization estimates the value of ReStore goods on hand based on the estimated retail value. Inventory purchased by ReStore is stated at the lower of cost, determined by the first-in, first-out method, or market.

G. Inventories, continued

Home construction, rehabilitation, and repairs in process

Costs incurred in conjunction with home construction and home rehabilitation are recorded as assets until the sale of the home. Costs incurred in conjunction with home repair services are recorded as assets until the project is complete.

Property held for sale or future home development

Property held for sale or future home development consists of purchased or donated land that will be developed for future home construction, properties acquired for rehabilitation to be sold to new homeowners, and homes that have been re-acquired from previous homeowners that will be sold on the open market. Properties are valued at the lower of cost or market.

H. Property and equipment and depreciation

All acquisitions and improvements of property and equipment in excess of \$1,000 are capitalized while all expenditures for repairs and maintenance that do not materially prolong the useful lives of assets are expensed. Purchased property and equipment is carried at cost. Donated property and equipment is carried at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method over the estimated lives of the assets.

I. Restricted cash

Restricted cash consists of cash restricted for future professional fees related to the investment in joint venture.

J. Investment in joint venture

The Organization, along with eleven other Habitat affiliates, invested in a joint venture (HFHI NMTC Leverage Lender 2013-1, LLC) to take advantage of New Markets Tax Credit (NMTC) financing. NMTC financing allows an entity to receive a loan or investment capital from outside investors, who will receive new markets tax credits to be applied against their federal tax liability. For a 7.35% ownership share of the joint venture, the Organization invested \$1,134,115, which was financed with a loan payable to a community development entity (HFHI NMTC Sub-CDE I, LLC, an affiliate of the joint venture) (see Note 10). The Organization carries its investment in joint venture at the lower of cost or market value.

K. Investment in partnership

The Organization's investment in partnership consists of a minor interest in a limited partnership. The Organization carries its investment in the limited partnership at the lower of the fair value as of the date the investment was donated to the Organization (cost) or market value. The Organization's risk of loss is limited to the carrying amount of the investment. There is not a public market for this investment. Because the investment in the limited partnership is not readily marketable, its estimated value is subject to uncertainty and, therefore may differ from the value that would have been used had a ready market for such investment been available.

L. Mortgage loans receivable

Mortgage loans receivable consists of loans secured by real estate located in the Fox Cities area of Wisconsin. The loan terms typically include maturities of 24-360 months and are non-interest bearing. Since the mortgage loans are non-interest bearing, they are discounted using a rate determined annually by HFHI, which is based on a national rate for a home purchaser with a credit risk similar to the homeowners qualified to purchase a home from the Organization. Once the rate is determined, it is not revised for any market changes.

For the Homebuyer program, the Organization sells homes at the appraised value determined by an independent third party appraisal company. At the time of the home sale, the Organization obtains a first mortgage for each home. The length of the loan is determined by the income of the family with a range of 240-360 months. Monthly mortgage payment amounts (including escrow for taxes and insurance) are set based on 23% of the family's gross monthly income. Based on that calculation, if a family is not able to pay off the full loan amount in less than 30 years, then the Organization issues a 0% interest deferred second mortgage that represents the difference between the appraised value and the amount the family can afford to pay over 30 years. The second mortgage would become due if the homeowner sells, refinances, defaults, or the home is no longer their primary residence before a stipulated time period. The second mortgage is forgivable pro-rata over a 240 month period. If the second mortgage becomes due, it is collected after the first mortgage is satisfied, and after certain other liens are satisfied. Because the use of the second mortgage is unlikely and unknown, the Organization has not recorded a receivable for these second mortgages in the financial statements. The undiscounted value of the second mortgages not recorded in the financial statements totaled \$4,683,863 at June 30, 2016. If a second mortgage becomes due, the Organization includes the proceeds in gain on second mortgages and other sales on the statement of activities at the time it is collected.

The mortgage loans for the Home Repair program are based on the Organization's costs to provide the labor, overhead, and materials to complete the home repair. No profit is charged on these projects. The loan terms range from 24-84 months based on the debt-to-income ratio for each family.

At times, the Organization will enter into agreements for the sale of mortgage loans receivable. During the year ended June 30, 2016, the Organization entered into a loan sale and servicing agreement for certain mortgage loans receivable with one financial institution. Under the agreement the Organization sold mortgage loans with recourse totaling \$1,500,187 at the face value of the loans less a 2% discount totaling \$258,716. The net proceeds from the sale totaling \$1,241,471 were used to fund board designated unrestricted net assets. At the time of the sale, the mortgage loans had unamortized discounts totaling \$749,718. The unamortized discounts netted with the 2% discount resulted in a net gain on the sale of mortgage loans receivable of \$491,002. The Organization continues to service previously sold mortgage loans receivable by collecting payments from homeowners on behalf of and remitting these payments to the purchasing financial institutions. Mortgage loans receivable serviced for others are not included in the accompanying statement of financial position. The unpaid principal balance of mortgage loans receivable serviced for others was approximately \$4,030,000 at June 30, 2016. The loan sale and servicing agreements contain clauses whereas for any sold mortgage loans receivable that become 90 days past due, the Organization must find a substitute mortgage loan receivable or repurchase the non-performing loan.

Note 1 - Nature of activities and significant accounting policies, continued

L. Mortgage loans receivable, continued

During the year ended June 30, 2016, the Organization was not required to substitute or repurchase any previously sold mortgage loans receivable. The Organization considers all of the mortgage loans receivable serviced at June 30, 2016 to be fully collectible; accordingly, no provision has been made for future losses that may result under the recourse arrangements.

In the year ended June 30, 2016, the Organization adopted Financial Accounting Standards Board (FASB) Update 2014-03, Receivables-Troubled Debt Restructurings by Creditors, which requires certain disclosures on properties where foreclosure proceedings are in process and when the Organization has taken possession of any foreclosed properties. At June 30, 2016, the Organization has approximately \$62,000 of mortgage loans receivable secured by a residential real estate property for which the Organization has begun formal foreclosure proceedings. At June 30, 2016, the Organization did not have possession of any foreclosed residential real estate properties.

M. Funds held for others

Funds held for others represent grant receipts received on behalf of other charitable organizations. These funds are included in the Organization's cash accounts. These funds typically support activities that are not programs of the Organization, and are not under the control of the Organization. As such, the Organization has recorded a liability related to these funds and does not include the activity of these funds in its statement of activities.

N. Contribution recognition

Unconditional contributions are recognized as revenue when they are promised or received, as applicable, and are available for unrestricted use unless specifically restricted by the donor. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. The value of donated services capitalized in property and equipment and included in in-kind contributions totaled \$40,891 during the year ended June 30, 2016. Many other volunteers provided services to the Organization throughout the year that have not been recognized as contributions in the financial statements because the recognition criteria were not met. The Organization estimates 80,520 volunteer hours were contributed during the year ended June 30, 2016 that did not meet the recognition criteria.

O. Other revenue recognition

The Organization recognizes income from sales to homebuyers when title and risk transfer to the homebuyer. The Organization recognizes income from home repair services when the service is completed.

P. Advertising

The Organization uses advertising to promote its programs among the audiences it serves. The costs of advertising are expensed as incurred. During the year ended June 30, 2016, advertising costs totaled \$32,824.

Q. Functional allocation of expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities and in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting activities benefited.

R. Presentation of sales tax

The Organization collects sales tax from certain customers and remits the entire amount to the appropriate governmental entities. The Organization's accounting policy is to exclude the tax collected and remitted from revenues and expenses.

S. Income tax status

The Organization has received exemption from income taxes under Section 501(c)(3) of the Internal Revenue Code under a group exemption letter granted to Habitat for Humanity International, Inc. by the Internal Revenue Service. However, income from certain activities not directly related to the Organization's tax-exempt purpose is subject to taxation as unrelated business income. The Organization is also exempt from Wisconsin income taxes.

T. Summarized financial information

The financial statements include certain prior-year summarized information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended June 30, 2015, from which the summarized information was derived.

U. Subsequent events

The Organization has evaluated events and transactions for potential recognition of disclosure in the financial statements through October 26, 2016, the date on which the financial statements were available to be issued.

V. Reclassifications

Certain amounts in the prior-year summarized information have been reclassified for comparative purposes to conform with the presentation in the current-year financial statements with no change in previously reported net assets or changes in net assets.

Note 2 - Concentration of credit risk

The Organization maintains its cash balances at several banks and credit unions in the Fox Cities area. Aggregate deposits are insured by the Federal Deposit Insurance Corporation (FDIC) and National Credit Union Share Insurance Fund up to \$250,000 per insured depository institution. The Organization's cash deposits may exceed these insured limits at times during the year. The Organization has not experienced any losses on these accounts. Management believes the Organization is not exposed to any significant credit risk on cash.

Note 3 - Certificates of deposit

The Organization holds certificates of deposit totaling \$302,339 at June 30, 2016. The certificates bear interest rates ranging from 0.75% - 1.77% and have maturities of seventeen to eighteen months, with penalties for early withdrawal. Any penalties for early withdrawal would not have a material effect on the financial statements.

Note 4 - Contributions and grants receivable

Unconditional contributions and grants receivable at June 30, 2016 totaled \$185,690 and are receivable in less than one year. The Organization considers all of the contributions and grants receivable at June 30, 2016 to be fully collectible; accordingly, no allowance for uncollectible contributions has been established.

At June 30, 2016, the Organization also had conditional promises to give totaling \$569,294. The promises to give contain conditions such as providing occupancy to the homebuyer by a specific date, and successful review, evaluation, and approval of progress by the donor, and will be included in the financial statements in future years when the conditions are met.

Note 5 - Inventories

Inventories at June 30, 2016 consist of the following:

Materials:	
ReStore inventory	\$ 109,728
Construction materials	<u>84,909</u>
Total materials	<u>\$ 194,637</u>
Home construction, rehabilitation, and repairs in process:

Note 6 - Property and equipment, net

Property and equipment consists of the following at June 30, 2016:

Land	\$ 171,400
Buildings and improvements	949,143
Office equipment	236,878
Trucks and trailers	<u>183,183</u>
	1,540,604
Less accumulated depreciation	<u>374,017</u>
	<u>\$ 1,166,587</u>

Depreciation expense on the above assets was \$48,517 for the year ended June 30, 2016.

The Organization exercised a purchase option on a warehouse lease and expanded their office space during the year ended June 30, 2016.

Note 7 - Beneficial interest in assets held by Community Foundation

Beneficial interest in assets held by Community Foundation represents amounts held at the Community Foundation for the Fox Valley Region, Inc. (the Foundation). The Organization has two funds at the Foundation called the "Greater Fox Cities Area Habitat for Humanity Fund I" (the Fund I) and "Greater Fox Cities Area Habitat for Humanity Fund II" (the Fund II). These funds are legal assets of the Foundation with the restriction that the Foundation makes distributions to the Organization. The agreements governing the assets include a variance power allowing the Foundation to modify the restrictions on distributions from the funds.

The funds were established by the Board of Directors to support the mission of the Organization. Since the funds were created as a result of an internal designation and are not donor restricted, they are classified and reported as unrestricted net assets. Distributions from the funds may be made at the Organization's request.

The Organization works with the Foundation to maximize total return consistent with an acceptable level of risk. Fund assets are invested to balance mild liquidity needs with a reasonable level of expected appreciation over full market cycles.

Note 9 - Line of credit

The Organization has a line of credit agreement with First National Bank - Fox Valley with an available line of \$1,000,000 of which no amounts were outstanding as of June 30, 2016. Interest is payable monthly at the prime rate (3.5% at June 30, 2016). Unpaid interest and principal are due April 28, 2017. The line is secured by mortgage loans receivable.

Note 10 - Notes payable

During the year ended June 30, 2016, the Organization received non-interest bearing notes from HFHI. These non-interest bearing notes were internally discounted using a rate of 3%. The discounts on these notes totaled \$4,054 and were included in in-kind contributions on the statement of activities. The discounts are amortized over the respective loan periods and are included in interest expense. During the year ended June 30, 2016, the Organization amortized \$16,735 of discounts related to these and other non-interest bearing notes.

Following is a summary of notes payable as of June 30, 2016:

Net notes payable	3,431,785
Current maturities	<u>193,387</u>
Notes payable, less current maturities	<u><u>\$ 3,238,398</u></u>

During the year ended June 30, 2016, the Organization elected to early adopt FASB Accounting Standards Update 2015-03, Simplifying the Presentation of Debt Issuance Costs, which requires that debt issuance costs be presented in the statement of financial position as a reduction of the carrying amount of the related debt liability. Amortization of the debt issuance costs is reported as interest expense in the statement of activities. During the year ended June 30, 2016, the Organization incurred debt issuance costs of \$100,231 related to its note payable to HFHI NMTC Sub-CDE I, LLC, an affiliate of HFHI NMTC Leverage Lender 2013-1, LLC (see Note 1J). During the year ended June 30, 2016, \$2,784 of these debt issuance costs were amortized to interest expense.

The future scheduled maturities of the above notes payable for the five years succeeding June 30, 2016 are as follows:

Note 13 - Multiple-employer defined contribution retirement plan

The Organization has a co-employment agreement with Insperity PEO Services, L.P. The Organization participated in the Insperity 401(k) Plan, which is a multi-employer, defined contribution retirement plan qualified under Section 401(k) of the Internal Revenue Code. The plan covers substantially all the Organization's employees who work at least 1,000 hours during the plan year. The plan provides for a matching contribution by the Organization equal to 50% of the employee's contribution up to 3% of the employee's compensation. In addition, the plan provides for a non-elective contribution equal to 3% of the employee's compensation. For the year ended June 30, 2016, the Organization contributed \$55,406 to the plan.

Note 14 - Leases

The Organization leases warehouse, store space, and equipment under operating leases. These lease agreements provide for monthly rentals ranging from \$201 to \$7,400. Rent expense under these leases was \$112,122 for the year ended June 30, 2016. The Organization exercised a purchase option on the warehouse lease during the year ended June 30, 2016. The leases for the store space and equipment expire in October 2023 and June 2016, respectively. Subsequent to June 30, 2016, the Organization entered into an equipment lease with monthly rent of \$393 beginning August 2016 and expiring in July 2021.

Future minimum lease payments (included the subsequent equipment lease) under the terms of the noncancelable operating leases with initial terms of one year or more are approximately as follows:

Year ending <u>June 30,</u>	
2017	\$ 93,000
2018	94,000
2019	96,000
2020	97,000
2021	97,000
Thereafter	<u>221,000</u>
Total minimum payments required	<u>\$ 698,000</u>

Note 15 - Transactions with Habitat for Humanity International, Inc.

The Organization annually tithes 10% of its contributions (excluding restricted and in-kind contributions) to HFHI. These funds are used to construct homes in economically depressed areas around the world. For the year ended June 30, 2016, the Organization tithed \$84,826 to HFHI. Of this amount, \$18,332 is in accounts payable at June 30, 2016.

U.S. affiliates are required to pay an annual fee to HFHI to offset a portion of the costs associated with efforts that benefit all affiliates - efforts such as brand protection and promotion, regulatory advocacy and gift-in-kind solicitation. For the year ended June 30, 2016, the Organization paid a fee of \$15,000 to HFHI.

Note 15 - Transactions with Habitat for Humanity International, Inc., continued

HFHI receives grants from the United States Department of Housing and Urban Development (HUD) in the Self-Help Homeownership Opportunity Program (SHOP). For the year ended June 30, 2016, HFHI made \$169,913 of these grants available to the Organization to purchase land for development and necessary infrastructure improvements. Of this amount, \$145,640 is in contributions and grants receivable at June 30, 2016.

The Organization had non-interest bearing notes payable with HFHI (see Note 10). During the year ended June 30, 2016, the Organization amortized \$10,235 of the discounts related to these non-interest bearing notes.

Note 16 - Functional classification of expenses

Expenses by function for the year ended June 30, 2016 was as follows:

Program services	\$ 4,125,557
Supporting activities:	
Management and general	245,868
Fundraising	<u>271,119</u>
	<u>\$ 4,642,544</u>

Note 17 - Fair value measurement

Financial Accounting Standards Board (FASB), ASC 820 *Fair Value Measurements and Disclosures* clarifies the definition of fair value, establishes a framework for measuring fair value, and expands the disclosures on fair value measurements in financial statements. ASC 820 specifies a hierarchy of valuation techniques based on whether the inputs to those valuation techniques are observable or unobservable. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect the Organization's market assumptions.

The fair value hierarchy specified by ASC 820 is as follows:

Level 1 - Quoted prices in active markets for identical assets and liabilities.

Level 2 - Quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets and liabilities in markets that are not active or other inputs that are observable or can be corroborated by observable market data.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The Organization's beneficial interest in assets held by Community Foundation is carried at fair value. The fair value is provided by the Foundation and consists of the right to receive cash flows from the Foundation. The fair value provided by the Foundation is considered a level 3 input. Fair value is determined by allocating a portion of the Foundation's investment pools.

Note 17 - Fair value measurement, continued

The following is a reconciliation of beginning and ending balances for assets measured at fair value on a recurring basis using significant unobservable inputs (Level 3) during the year ended June 30, 2016:

Beginning balance - July 1, 2015	\$ 911,554
Net gains (losses), realized and unrealized, included in change in net assets	(2,477)
Purchases	<u>344,664</u>
Ending balance - June 30, 2016	<u>\$ 1,253,741</u>
Change in unrealized gains (losses) related to Level 3 assets still held at June 30, 2016	<u>\$ (2,477)</u>

Note 18 - Option agreement

On August 19, 2015, the Organization's joint venture, HFHI NMTC Leverage Lender 2013-1, LLC (Leveraged Lender), entered into an option agreement with U.S. Bancorp Community Development Corporation (USBCDC), the sole member of the HFHI Investment Fund 1, LLC (the Fund), which is the upstream effective owner of HFHI NMTC Sub-CDE I, LLC. Under this agreement, Leveraged Lender granted USBCDC an option (the Put) to sell all of its ownership interest in the Fund to Leveraged Lender for \$1,000 plus certain closing costs within 6 months following August 19, 2022. If USBCDC does not sell its ownership interest in the Fund to Leveraged Lender, Leveraged Lender will have the right and option (the Call) to purchase all of the ownership in the Fund within 12 months for the fair value of the ownership interest plus certain closing costs. Exercise of the option would effectively allow the Organization to extinguish its outstanding debt owed to HFHI NMTC Sub-CDE I, LLC.
