

Greater Fox Cities Area Habitat for Humanity 2020 Gutters and Down Spout Installation Bid Spec

Request proposal for gutter and down spouts per plan. A copy of the plan with the down and out spouts drawn as needed will be sent to the contractor for each project. Proposal to include material and labor installed.

All gutter and down spouts for this year will be white. Each run must **terminate a minimum of 5' from the house unless there is a storm drain to terminate into.**

All contractors must provide a current copy of their liability insurance and workman's compensation certificate with Habitat as a certificate holder. All proposals must be received at our office by **January 20, 2020** to be considered.
