**Serve with Greater Fox Cities Habitat for Humanity
and deconstruct to help reconstruct!**

June 7 thru August 8

The **Habitat for Humanity of Wisconsin VISTA** program looks for passionate, committed, and hardworking individuals to strengthen affiliates and increase their capacity. **Greater Fox Cities Habitat for Humanity** is a nonprofit founded on the conviction that every family should have a decent, safe, and affordable place to live. They partner with homeowners and the community to build decent, safe, and affordable housing.

The goal of the **summer VISTAs** is to grow two programs at the ReStores to help generate more funds that can be used to build or repair homes. Be part of the Deconstruction Team or develop e-commerce strategies to raise revenue while diverting materials from landfills. Make a difference while earning money for school.
