- **Email:** constructionbids@foxcitieshabitat.org.
- **Phone:** 920-968-7295

Bid Submission Deadline: 1-14-2025

Introduction

This bid is for all Habitat's New Construction Projects for the entire year. The number of bedrooms is dependent on family size (See the included typical plan). Bedrooms for 3–5-bedroom homes will be placed in the basement area using egress windows. The number of new houses will be approximately 15 projects built throughout the year.

If your company does not typically handle the exact products described herein, **you may substitute products of an equal quality**. The supplier packet contains general material lists for our new construction including lumber, finish materials, sheetrock, cabinets, windows, exterior doors, siding, soffit, roofing, and roof trusses. **You may bid the entire packet or, if your company does not supply all the items listed, you may bid on specific items.** Please bid using anticipated pricing as of 1/1/2025.

Scope of Work

Included is a typical Habitat building plan for a home located on (329 Lisbon Ave., Menasha).

Please bid your materials using this plan for your material takeoffs. This year we will be building in the communities between Neenah and Kaukauna and possibly outlying area such as Brillion and Seymour.
